From far away Finland comes the wail of the hungry and that cry for bread strikes the sympathetic cord in every human heart. The sweetest pleasure known is that which comes from aiding our suffering fellow-men. One of the world's greatest philanthropists says: When I first engaged in the task of relieving suffering humanity my heart was filled with hope, but that my life's dream should be fulfilled to the extent it has is beyond my greatest expectation. Of 8,756,000 persons who had taken Dr. Burkhardt's Vegetable Compound last year, 80 per cent were cured. The gratitude of the afflicted is poured in upon me from every civilized nation and clime. 25 cents. All druggists.

A wise man has said: "I have seen strong boys grow weak and pale and sickly, bright boys grow dull; brave honest manly boys become cowardly, dishonest, lying boys after indulging in the cigarette habit for a few years."
